

MAKE: GASTON'S CAVE

You will need:

White paper or newspaper- PVA glue- Green and grey paint - Coloured card - Scissors - Bowl - Plastic bag - Sponge

1

Cover an upside-down bowl in a carrier bag, then paper mache 3 layers, letting each layer dry before starting the next

2

When dry, pull the paper mache off the bowl, and pull out the paper bag. Now you can use a sponge to paint it different shades of green

3

Cut rock shapes from sponge, and coat them in grey paint, then stick them to Gaston's cave

4

Don't forget to cut a door!
Add some extra flowers to decorate, and let Gaston explore!
