

# MAKE: BEN'S HORN

You will need:

Yellow/Gold card - Felt pens - Sticky tape -  
Scissors

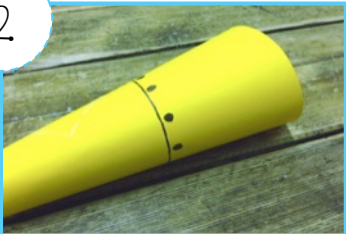

1

Twist and roll an A4 piece of yellow card into a cone shape, remembering to leave an open hole at the bottom instead of a point

2

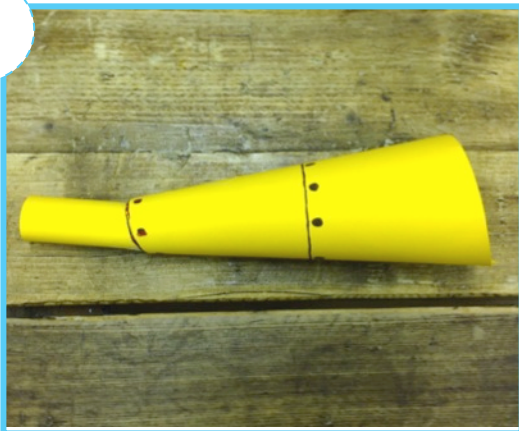

Draw lines around your cone with brown felt pen - just like on Ben's horn!

3

Roll a small tube with yellow card, so that it fits in the hole at the bottom of the horn, then stick it at an angle so it pokes out of the bottom of the horn

4

Now finish with some more joining lines and dots, and blow your horn just like Ben!
